Application for Permission to Appeal

1. By way of an application dated the 29th day of March 2012 the Appellant (“the Applicant”) has sought leave to appeal the decision of this Tribunal dated 8th March 2013.
2. Inter-alia the Application argues that there has been procedural impropriety of the Tribunal in the conduct of the appeal before it. This issue, and any resulting difference that such a procedural impropriety, if established, may make on the unanimous decision of this Tribunal, cannot be determined by this Tribunal and should be determined on appeal. For this reason only this tribunal grants the request for an appeal.
