

**FIRST-TIER TRIBUNAL
GENERAL REGULATORY CHAMBER
Information Rights**

Tribunal Reference: EA-20121-0252
Appellant: Paula Douglas
Respondent: The Information Commissioner
Judge: NJ Warren

DECISION NOTICE

1. It now appears to be common ground that the Tribunal has no jurisdiction to deal with Ms Douglas' data protection request.
2. It is also common ground that the ICO has not yet issued a decision notice in respect of Ms Douglas' request for a copy of the "recommended student policy".
3. Ms Douglas suggests that the appeal be stayed to await further investigations. However, the rules require that an appeal which is outside the Tribunal's jurisdiction is struck out. I therefore strike out this appeal.
4. This is of course without prejudice to Ms Douglas' rights to lodge another appeal should the ICO issue a future decision notice which she wishes to contest.
